

USS Hornet Museum ★ PO Box 460 ★ 707 W Hornet Ave. ★ Alameda, CA 94501

Welcome aboard the aircraft carrier USS *Hornet*, the West Coast's most premier group destination! We invite you to explore this unique historical venue. A *Registered National Historic Landmark*, the aircraft carrier *Hornet* participated in two of history's most significant events: World War II and the recovery of the Apollo 11 and Apollo 12 manned lunar missions. Imagine walking in the footsteps of the first men on the Moon!

Following a brief Orientation, visitors are free to explore the many passageways, compartments, and decks of this famous ship. The USS Hornet Sea, Air & Space Museum is sure to provide an unforgettable experience for your group:

- Climb to the Navigation Bridge and stand at the helm where captains bravely commanded this 900-foot-long, 41,600-ton ship.
- Stand on the Flight Deck and sense the thrill of aircraft being launched and recovered.
- Take a close look at vintage aircraft including a TBM Avenger, F-8 Crusader, S-2 Tracker, F-14 Tomcat and an authentic Apollo test Capsule and a Mobile Quarantine Trailer where astronauts would have spent two weeks awaiting the potential effects of Moon germs.
- Sit in one of the pilot's chairs in their Ready Room and imagine receiving your mission briefing before being launched off the Flight Deck on one of our two catapults.
- Walk through Officers' Quarters, Crew's Deck, Medical Spaces, and other areas imagining what life was like on a floating city.
- Meet veterans and hear their personal experiences.

Permanently anchored at the former Naval Air Station in Alameda, the ship is open daily from 10 AM until 5 PM. **Group rates are available with advance reservations for 15 or more people: \$12.50 per adult, \$10.50 per senior/military/student, and \$6.50 per youth ages 5-17. Additional discounts or coupons on admission cannot be applied to Group Tours.** There is ample free parking for automobiles and tour buses. Lunch options are also available for groups.

USS *Hornet* is a ship that affected the course of history. Chart your group's course to Alameda today!
